**Subject:** TGT DWP Control Cost Evaluation

Melanie,

Please find attached an updated control cost evaluation for TGT's proposed SPM Deepwater Port project. Denise and I would be happy to connect with you by phone this week to provide a general update on TGT's continued interactions with MARAD and USCG and see if you have any questions on this evaluation. Is there a day and time that works best for you to connect?

Regards,  
Brian
